Limitless Ultrasound Imaging

Driven/Powered by Augmented Insight™, **MyLab™X8 CV Edition*** integrates the latest technologies, to speed up your everyday workflow and improve your efficiency. Esaote has developed XCrystal probes technology, which greatly increases sensitivity and penetration, to deliver sharper images and homogeneity.

Enhancing the Experience

Powered by the latest Esaote technology, **MyLab™X75 CV Edition** offers ultrasound images with extraordinary clarity, and integrates an advanced and complete cardiovascular package.

Advanced imaging in motion

As a benchmark for portable ultrasound devices, Esaote has designed **MyLab™Omega eXP CV Edition** to deliver premium performances with cutting-edge components, integrated A.I.-driven tools and intuitive workflow, making it fast and agile.

FULL CONNECTIVITY

EXTREME FLEXIBILITY

*CV Edition is available for MyLab™X8 and MyLab™X8 eXP

MyLab™Desk

Review your cardiac exams offline with MyLab™Desk, to complete your analysis with additional measures and make the most of the **advanced quantification tools** of Esaote Augmented Insight™, such as **AutoEF** and **XStrain™ LV**. Combined with a comprehensive report solution, MyLab™Desk becomes your **smart cardiology workstation**.

MyLab™Share

Esaote's exclusive MyLab™Share application enables **unique live sharing** for educational purposes, including application training and image broadcasting, with a local or global audience in a **secure way**. Benefit from the high resolution picture-in-picture camera and voice transmission during your MyLab™Share streaming, to **transcend geographical boundaries** and eliminate any barriers or restrictions to communication.
